

Christmas thought: Why Jesus is better than Santa Clause

Santa lives in the North Pole:

Jesus is everywhere

Santa rides on a sleigh:

Jesus rides on the wind and walks on water

Santa comes just once a year:

Jesus is always there, ever present and ready to help

Santa leaves gifts and fills our stocking with goodies:

Jesus caters for all of our needs

Santa comes down our chimneys uninvited:

Jesus is a gentleman, who stands at our doors, knocks and enters our hearts when he is invited in.

You have to wait in line to see Santa:

Jesus is close by once you mention his name

Santa lets you sit on his lap:

Jesus lets you rest in his arms

Santa does not know our names all he says is hello little boy or girl:

Jesus knew our names before we were born, not only does he know our names but he knows our address too, he knows our history, our future and he even knows how many hairs are on our heads.

Santa has a belly like a bowl full of jelly:

Jesus has a heart full of love

All Santa can offer is the words "ho ho ho":

Jesus can offer health, hope, happiness and comfort

Santa says you better not cry:

Jesus says cast all your cares on me, do not be afraid, I will care for you.

Santa's little helpers make toys:

Jesus makes new life, mends wounded hearts, repairs people who are broken and builds up love and hope in people's hearts

Santa may make you laugh:

Jesus gives you laughter and joy that is your strength

While Santa puts gifts under the tree:

Jesus made himself a 'free' gift for the world and even sacrificed his life for us by dying on a tree - the cross

Put the CHRIST back into CHRISTmas and remember that Jesus is the reason for the Season.
